

Webinar Announcement

Argus Research will host its monthly Outlook & Ideas Webinar for clients at 11 a.m. ET on Wednesday, June 3, 2026. This webinar is the fifth in our 2026 Artificial Intelligence series and is titled ***Artificial Intelligence and the Consumer Sector***. The webinar will be hosted by Argus Director of Research Jim Kelleher, CFA. Jim will be joined by two of Argus Research's consumer analysts, Chris Graja, CFA, and Taylor Conrad.

During the webinar, Chris and Taylor will discuss the impact of AI and AI trends within the retail, food & beverage, consumer goods and homebuilding industries.

Please note that the CFP Board has approved Argus' Outlook & Ideas Webinar for one (1) hour of continuing education (CE) credit.

The webinar, as always, will be interactive with a question-and-answer period. We will be recording the webinar, and a rebroadcast will be available on the password-protected portion of our website. Slides related to the presentation will be posted on our website the day of the webinar and also will be available via the webcast itself.

To register for the event, please visit the Argus Research website and click on the "Register Here" icon that can be found under the "News & Media" header. If you have any problems registering, please contact us by calling (212) 425-7500.
